Note sur le contenu : The nature of proxy relationships and their ethics A brief history of proxy warfare part I : ancient to modern A brief history of proxy war part II : the Cold War Jus ad bellum and the implications for proxy warfare Mitigating the moral hazards of proxy warfare Conclusion : applying the proxy moral framework

Résumé ou extrait : "Proxies can effectively transfer risk and lower the costs of international competition; however, they set conditions for moral failure and hazard. Applying the framework of the Just War Tradition, this book addresses how international actors can address those challenges and establish ethical and effective security relationships." (4e de couv.)

Sujet - Nom commun : Guerre -- Aspect moral

Guerre juste
