Classification décimale Dewey : 327.117 09

Note sur les bibliographies et les index : Biblogr. en fin de chapitres. Notes bibliogr. Chronol. Index

Résumé ou extrait : In this third edition of his widely acclaimed survey, historian Randall D. Law makes sense of the history of terrorism by examining it within its broad political, religious and social contexts from the ancient world to the present day. In *Terrorism: A History*, Law reveals how the very definition of the word has changed, how the tactics and strategies of terrorism have evolved, and how those who have used it have adapted to revolutions in technology, communications, and political ideologies. *Terrorism : A History* extensively covers topics as wide-ranging as jihadist violence, state terror, the Israeli/Palestinian conflict, Northern Ireland, anarcho-terrorism, and racist violence, plus lesser-known movements in Uruguay and Algeria, as well as pre-modern uses of terror in the ancient world, medieval Europe, and the French Revolution. This brand-new revision edition features up-to-the-moment analysis of : The state of al-Qaeda, its franchises, and global jihad today. New incarnations of far-right extremism, including the Oathkeepers, Proud Boys, and conspiracy theorists. The continuing presence of religiously inspired terrorism in North America and across the world. Law's expert analysis also includes updated and expanded chapter bibliographies, even more scholarly citations, and a new conclusion exploring the future of terrorism. *Terrorism: A History* remains the go-to book for those wishing to understand the real nature and importance of this ubiquitous phenomenon.
