Description matérielle : 1 vol. (XXVIII-310 p.-[2] p. de pl.) : ill., cartes en noir et en coul. ; 20 cm

ISBN : 978-1-5261-6032-4

1-5261-6032-3

978-1-5261-5078-3

1-5261-5078-6

EAN : 9781526160324 br.

Classification décimale Dewey : 327.5

Note sur les bibliographies et les index : Notes bibliogr. Index

Résumé ou extrait : The definitive guide to the world's most contested region. The Indo-Pacific is both a place and an idea. It is the region central to global prosperity and security. It is also a metaphor for collective action. If diplomacy fails, it will be the theatre of the first general war since 1945. But if its future can be secured, the Indo-Pacific will flourish as a shared space, the centre of gravity in a connected world. What we call different parts of the world – Asia, Europe, the Middle East – seems innocuous. But the name of a region is totemic, guiding the decisions of leaders and the story of international order, war and peace. In recent years, the label 'Indo-Pacific' has suddenly gained wide use. But what does it really mean ? Written by a globally-renowned expert, Indo-Pacific Empire is the definitive guide to tensions in the region. It deftly weaves together history, geopolitics, cartography, military strategy, economics, games and propaganda to address a vital question: how can China's dominance be prevented without war ?

Sujet - Nom commun : Géopolitique -- Région indo-pacifique
Relations extérieures -- Chine -- États-Unis

Sujet - Nom géographique : Région indo-pacifique -- Relations extérieures

Région indo-pacifique -- Rôle stratégique
