Future EU enlargements : opportunities and dilemmas / Mats Öhlén
EU security, collective self-defence, and solidarity / Ester Herlin-Karnell
What can the EU learn from Brexit ? / Pehr-Johan Norbäck
The Brexit effect : how has British withdrawal shaped the EU's development ? / Nicholas Aylott
Union citizenship : towards a deepened legal meaning / Katarina Hyltén-Cavallius
Improved working conditions

and paths to worker solidarity in an increasingly diversified EU / Ann-Christine Hartzén How well can the EU labour markets absorb refugee immigrants ? / Özge Öner and Hans Seerar Westerberg The EU's new Pact on Migration and Asylum : towards a long-term sustainable European migration policy ? / Andrea Spehar AI and digitalisation's impact on EU's future labour market : scenarios and implications / Robin Teigland and Mikael Wiberg Reconsidering the depth and size of the EU in view of enlargement in a time of war / Per Ekman, Björn Lundqvist, Anna Michalski, and Lars Oxelheim

Résumé ou extrait : This open access book, the eighth volume in the series of Interdisciplinary European Studies, explores the implications of the EU's size and depth at a time of war in Europe. Russia's fateful decision to invade Ukraine in 2022 has put the question of EU enlargement back on the political agenda and, again, the implications of a larger and more diverse EU bring key principles of integration to the fore. Addressing these issues, scholars from economics, law, and political science provide insights from previous EU enlargements and the UK's withdrawal from the EU. Based on up-to-date research findings, they provide succinct assessments of the challenges facing the EU in areas such as immigration, labour market integration, and adaptation to advanced technologies. To conclude, each chapter offers policy recommendations for decision-makers on European and national levels.
