Résumé ou extrait : La 4e de couv. indique : "The Companion to International Humanitarian Law offers a much-needed tool for both scholars and practitioners, supplying information accessible enough to enable a variety of users to quickly familiarise themselves with it and sufficiently comprehensive to be a source for reflection and further research for more demanding users. Its aim is to facilitate the practical application of IHL, and be of use to a wide audience interested in or confronted with IHL, ranging from professionals in humanitarian assistance and protection in the field, legal officers and advisers at the national and international level, trainers, academics, scholars, and students."
