Résumé ou extrait : La 4e de couv. indique : "This book is devoted to taking a lead in establishing a multi-disciplinary and inter-disciplinary platform for exchanging fresh thinking in the field of strategic studies. The book gathers invited reports from various prestigious scholars from home and abroad. The aim of this book is threefold: firstly, to provide a comprehensive overview of the emerging evolution in international and regional orders, as well as the recent strategy adjustments among major world powers; secondly, to discuss major strategic issues facing China, and to further propose the Chinese wisdom and a Chinese strategic approach to sustaining peace and development, and to reaching a benign international interaction between China and other entities in the world, such as achieving cooperation and mutual benefits between China and the world; thirdly, to investigate the key factors in enhancing Chinas domestic governance

such as strengthening state political capacity, national environmental governance, etc. The editorial group selected 10 high-quality reports to disseminate the findings and promote future research collaboration in this area. This timely book offers both theoretical insights and rigorous quantitative method that impact Chinas peaceful rise in the international arena."
