Davidson ; Geo-political complications of US free trade agreements with Gulf Arab countries, Fred H. Lawson ; Conclusion, Crystal A. Ennis and Paul Doherty ;

Index

Résumé ou extrait : Investigates some of the 'new power brokers' in the world economy : the oil-exporting states of the Gulf. This title aims to fill this gap with a rigorous scholarly analysis based on primary sources and raw economic data. It brings together the expertise of academics who have devoted their career to careful study of the region
