Résumé ou extrait : La 4e de couv. indique : "This edited volume discusses current Euro-Atlantic security issues, examining a wide range of areas including cyber threats, arms control, relations between key countries, existing conflicts and potential future flash points. It looks at both the key security challenges and responses that could be developed to mitigate these. The editor brings together perspectives from a wide range of authors from policy and academia who are part of the Younger Generation Leaders Network on Euro-Atlantic Security. This book offers a fresh perspective to these important issues from high-profile next generation leaders."
