1-350-36936-5

978-1-350-36937-5

1-350-36937-3

EAN : 9781350369368 br.

Classification décimale Dewey : 327.94

Note sur les bibliographies et les index : Bibliogr. p. [355]-388. Notes bibliogr. Index

Résumé ou extrait : "How does Australia's unique geographical, cultural and historical position influence its approach to foreign policy ? What key challenges does Australia face on the world stage, and how can it overcome them ? Reflecting the messy reality of foreign policy decision-making, this book helps you to understand the changes and continuities in Australia's approach. For example, does the US withdrawal from Vietnam in 1973 and collapse of South Vietnam continue to cast a shadow over Australian foreign policy, or is it relevant only in understanding the dynamics of the cold war? Using an Australian Strategic Culture framework, O'Keefe sheds light on the characteristics that make Australia behave in a way different to any other country. Equipping you with analytic skills to understand the main debates, this book is essential reading if you are a student of Australian foreign policy, as well as of broader Australian domestic and international politics."
