Résumé ou extrait : Russia and Eurasia 2025-2026 provides students with vital information on these countries through a thorough and expert overview of political and economic histories, current events, and emerging trends.

"The World Today Series: Russia and Eurasia 2025-2026 provides historical background on Russia and Eurasia to help readers gain a thorough understanding of contemporary developments in this region. Broad introductory chapters are followed by sections on each country in the region. The combination of factual accuracy and up-to-date detail make this an outstanding resource for researchers, practitioners in international development, media professionals, government officials, potential investors, and students to understand the immediate background of contemporary developments." (4e de couverture)
