Résumé ou extrait : The men of Easy company, 506th regiment, 101st Airborne division, U.S. Army, came from different backgrounds, different parts of the country. They were farmers and coal miners, mountain men and sons of the deep south. Some were desperately poor, others from the middle class. One came from Harvard, one from Yale, a couple from UCLA. Only one was from the Old army, only a few came from the national guard or reserves. They were citizen soldiers.
