Schulze Thailand's strange southern war: insurgency, disorder and the fragile state / Marc Askew Conclusion: explaining peace / Amy L. Freedman

Résumé ou extrait : This project looks at the international dimension to internal conflicts and asks: under what conditions do domestic conflicts become opportunities for regional or global actors to become involved? Why have some countries been able to successfully deal with this problem while others have

not ?

Sujet - Nom commun : Conflits ethniques

Guerre civile

Relations internationales
