Description matérielle: 219 : Carte

ISBN: 0-7456-3115-0

Autres classifications: OUVR

Note(s): Notes ISBD : index

Résumé ou extrait: Afghanistan has become synonymous with violence, but why is this? This book seeks to provide answers to this and other questions. It exposes the variables which have contributed to the breakdown of the state and asks whether post-war reconstruction could lead to a more peaceful Afghanistan.
