Reconstruction The new look Asia Russia, Ukraine and Crimea Turmoil and war in Ukraine The Russian expedition to Syria The Russian military for the twenty-first century

Résumé ou extrait : Présentation de l'éditeur : "The transition from the Soviet to the post-1991 Russian military is a fascinating story of decline and reinvention. Lively accounts and maps describe the actions of these wars, along with the Crimea operation of 2014, the separatist struggles in eastern Ukraine and the ongoing Russian intervention in Syria."
