Classification décimale Dewey : 951.904 2

Note sur les bibliographies et les index : Bibliographie pages 259-295. Notes bibliographiques. Index

Résumé ou extrait : Michael J. Devine provides a fresh, wide-ranging, and international perspective on the contested memory of the 1950–1953 conflict that left the Korean Peninsula divided along a heavily fortified demilitarized zone. His work examines “theaters of memory,” including literature, popular culture, public education efforts, monuments, and museums in the United States, China, and the two Koreas, to explain how contested memories have evolved over decades and how they continue to shape the domestic and foreign policies of the countries still involved in this unresolved struggle for dominance and legitimacy. The Korean War Remembered also engages with the revisionist school of historians who, influenced by America’s long nightmare in Vietnam, consider the Korean War an unwise U.S. interference in a civil war that should have been left to the Koreans to decide for themselves.
