Résumé ou extrait: > ODYSSEY WITH THE ALLIANCE Romanian armed forces mark 10 years with NATO > EU, US AGREE FURTHER SANCTIONS ON RUSSIA ... EU leaders on 20 March agreed new sanctions against Russian and Ukrainian officials deemed responsible for the annexation of Crimea by the Russian Federation. > ... BUT EU LACKS THE TEETH TO HALT MOSCOW The European Union (EU) is powerless to effect any change in Russia's behaviour toward Crimea because its sanctions against Moscow are weak and could even backfire by damaging the interests of European companies, a former top NATO military official and some members of the European Parliament (MEPs) have agreed.
