Publication : London New York (N.Y.) : Routledge, 2022

Description matérielle : 1 vol. (XXVI-509 p.) : ill., cartes, graph., tabl. ; 26 cm

Collection : Routledge handbooks

ISBN : 978-0-367-75836-3  
0-367-75836-9  
978-0-367-75903-2  
0-367-75903-9

EAN : 9780367758363 rel.

Appartient à la collection : Routledge handbooks London Routledge [201?]

Classification décimale Dewey : 327.117 097

Note sur les bibliographies et les index : Notes bibliogr. Index

Résumé ou extrait : La 4e de couv. indique : "This handbook comprises essays by leading scholars and practitioners on the topic of US counterterrorism and irregular warfare campaigns and operations around the globe. Terrorist groups have evolved substantially since 9/11, with the Islamic State often described as a pseudo-state, a terrorist group, and insurgency all at the same time. While researchers, analysts, and policymakers' understanding of terrorism has grown immensely over the past two decades, similar advancements in the understanding of counterterrorism lags. As such, this handbook explains why it is necessary to take a broader view of counterterrorism which can, and often does, include irregular warfare. The volume is divided into three thematic sections: Part I examines modern terrorism in the Islamic world, and gives an overview of the major terrorist groups from the past three decades; Part II provides a

wide variety of case studies of counterterrorism and irregular warfare operations, spanning from the 1980s to the irregular warfare campaign against the Islamic State in northern Syria in 2018; Part III examines the government instruments used to combat terrorism and wage irregular warfare, such as drones, Theater Special Operations Commands, and Theater Commands."
