Note sur les bibliographies et les index : Bibliogr. p. [303]-311. Index

Résumé ou extrait : "From Bunker Hill to San Juan Heights, from France's muddy trenches to the Persian Gulf's scorched sands, African Americans have fought fiercely and bravely. They have battled to overthrow British rule, to preserve the union, to safeguard their allies, and to protect democracy. Many have fought for freedom they would never see themselves, risking their lives for the country and for the right to become full citizens." (4e de couverture)
