Résumé ou extrait : Présentation de l'éditeur : "In this second edition of The Rise of Western Power, Jonathan Daly retains the broad sweep of his introduction to the history of Western civilization as well as introducing new material into every chapter, enhancing the book's global coverage and engaging with the latest historical debates. With an additional focus on China, India and the Muslim world, the result is a volume impressive in its scope and detail."

Sujet - Nom commun : Civilisation occidentale -- Histoire
