Résumé ou extrait : The new edition of this market-leading textbook includes a revised introduction and updated chapters with new research and insights. Four new case studies of twenty-first-century genocides bring this horrific history up to the present moment: the genocide perpetrated by the government during

Argentina's Dirty War, the genocide of the Yazidis by the Islamic State of Iraq and Syria (ISIS), genocidal violence against the Rohingya in Myanmar, and China's genocide of the Uyghurs. Powerful survivor testimonies bring the essays to life and help readers grapple with the difficult lessons presented throughout the book.
