The tropical twilight 1942-1945. 'These bright ministers of death' 'Change target!' 'Our chief objective is to kill the enemy' 'I have grave news' 'The fate of the Empire' 'This proud success' 'This ultimate assignment' 'The fiercest serpent' Epilogue : The four seas in brotherhood. 'Grim reflections ... ominous of change' 'Evening faces'

Résumé ou extrait : "The Imperial Navy of Japan is the only world-class navy in history which had a definite beginning and an equally definite end, covering a span of nearly fifty-one years. Despite its brief life, the Imperial Navy rapidly achieved the status of the world's third greatest navy, and in its last years almost won an even higher position - but instead, in the final contest, lost everything." [préf.]
