ISBN : 978-1-83886-065-3

1-83886-065-7

1-83886-067-3

978-1-83886-067-7

EAN : 9781838860653 br.

Classification décimale Dewey : 359.964 6

Note sur les bibliographies et les index : Bibliogr. p. 173. Index

Résumé ou extrait : Présentation de l'éditeur : "Landing on a hostile beach is one of the most ancient forms and still most difficult forms of warfare. It requires unparalleled levels of planning, organisation, coordination and cooperation between the services. After the disasters of Gallipoli and Zeebrugge in the World War I, amphibious operations reached their maturity in World War II, and were essential in the defeat of Japan, while the D-Day landings signaled the beginning of the end for Hitler. Since 1945, myriad expeditionary naval forces have set off for a wide range of destinations, including Korea, Vietnam, the Falkland Islands, Grenada, the Balkans and Iraq in 2003. In the post-Cold War era, amphibious warfare has reached new heights of importance in its ability to intervene rapidly in crisis situations."
