ISBN : 978-1-473-63903-4

Classification décimale Dewey : 823

Résumé ou extrait : In the shadow of Auschwitz, a flamboyant German industrialist defied the SS and risked his life to protect Jews in Nazi-occupied Poland. His name was Oskar Schindler. Thomas Keneally's unforgettable novel recreates the story of this unlikely angel of mercy, and of the people he saved. Winner of the Booker Prize in 1982, it was subsequently dramatised as the Oscar-winning film Schindler's List.
