ISBN : 978-0-330-35284-0

Classification décimale Dewey : 997

Note(s) : Index

Résumé ou extrait : The Falklands war was one of the strangest in British history - 28000 men sent to fight for a series of tiny islands 8000 miles from home. Nineteen years later this book has become a modern classic of war reportage, and remains the definitive account of a conflict which captured the nation's imagination. The Battle for the Falklands is a vivid chronicle of a call to arms and a thoughtful and informed analysis of an astonishing chapter in the history of our time.
