Résumé ou extrait : Le site d'éditeur Oxford University Press indique : " A new chapter on international relations theory and the Middle East, accessible to those with no previous knowledge of IR theory. A new chapter on foreign policy making in the Middle East focuses on Egypt, Saudi Arabia, Iran and Turkey. A rewritten chapter on War and Security in the Middle East focuses on a wider range of conflicts and includes significant coverage of terrorism. This new edition provides a comprehensive overview of its subject area, bringing together leading experts to provide students with authoritative and up-to-date content. It combines a history of the region with analysis of key themes, actors, and conflicts, and uses a range of learning features and online resources to support student learning. New chapters cover International Relations and the Middle East, and foreign policy making in the Middle East, while a rewritten chapter on War and Security focuses on a broader range of conflicts than before, and includes significant coverage of terrorism."
