Auteur(s) : RUHOMAUULLY Axel

Adresse bibliographique : France : Collection des Photographes - CDP Éditions, 2022

Description matérielle : 60 p. : couleur

ISBN : 00000000000000

Résumé ou extrait : In his book “The Perfect Line”, artist-photographer Axel Ruhomaully uses a bare and unconventional approach to shed light on the remarkable saga of Dassault aircraft. In his book “The Perfect Line”, artist-photographer Axel Ruhomaully uses a bare and unconventional approach to shed light on the remarkable saga of Dassault aircraft. He is convinced that if mathematical formulas were a literary genre, they would be poetry. Ruhomaully pays tribute to the poetically talented engineers at Dassault Aviation’s design office in Saint-Cloud.
