Résumé ou extrait : "The Routledge Handbook of China-India Relations provides a much-needed understanding of the important and complex relationship between India and China. Reflecting the consequential and multifaceted nature of the bilateral relationship, it brings together thirty-five original

contributions by a wide range of experts in the field. The essays show that China-India relations are more far-reaching and complicated than ever and marked by both conflict and cooperation. Following a thorough introduction by the Editors, the handbook is divided into seven parts which combine thematic and chronological principles: Historical Overviews Culture and Strategic Culture: Constructing the Other Core Bilateral Conflicts Military Relations Economy and Development Relations with Third Parties China, India, and Global Order This handbook will be an essential reference work for scholars interested in International Relations, Asian Politics, Global Politics, and China-India relations."
