Résumé ou extrait : Are you a student enrolled in a defence and strategic studies degree program ? Do you want to have a comprehensive understanding of the subject matter ? Look no further than "The Definitive Guide to Defence and Strategic Studies: 150 Q&A for Mastery." This book is a must-have resource for students pursuing a degree (Bachelors, Masters and PhD) in defence and strategic studies. It covers a wide range of topics related to defence and strategic studies, including military strategy, national security, international relations, war and peace, and many more. Each question and answer of the book is crafted in such a way that every 25 questions and answers cover the most important aspects of a particular area. The book contains 150 questions and answers that are designed to help students master the subject matter. These questions and answers are carefully crafted to cover the most important concepts and theories including contemporary examples related to defence and strategic studies. They are designed to challenge the reader's knowledge and understanding of the subject while providing valuable insights and perspectives. This book is also useful for students preparing for various Indian competitive exams such as Union Public Service Commission's (UPSC) Civil Services Exam, Combined Defence Services (CDS) Exam, National Eligibility Test (NET UGC) and many more. Whether you are a student preparing for exams or simply a general reader interested in defence and strategic studies, this book will provide you with the knowledge and understanding you need to succeed. The book is written in a clear and concise style, making it easy to use and understand. It is an excellent resource for students, educators, and anyone interested in defence and strategic studies.
