Tomorrow's challenges and possibilities : post-service travaux The changing economics of military service Advancing through the ranks : science, technology, engineering, and mathematics (STEM) careers The allure of military service : forecast for black recruitment Conclusion

Résumé ou extrait : Présentation de l'éditeur : "African Americans have long used the military for gaining legitimacy and the ultimate path to citizenship. Blacks in the Military and Beyond chronicles their tumultuous journey from slavery through the present, extending the history to significant factors in determining whether or not serving in the military has indeed advantaged Blacks."
