Classification décimale Dewey : 327.47

Note sur les bibliographies et les index : Bibliographie pages [407]-410. Index

Résumé ou extrait : La jaquette indique : "How did Russia manage to emerge resurgent on the world stage and play a weak hand so effectively ? Is it because Putin is a brilliant strategist ? Or has Russia stepped into a vacuum created by the West's distraction with its own domestic problems and US ambivalence about whether it still wants to act as a superpower ? Putin's World examines the country's turbulent past, how it has influenced Putin, the Russians' understanding of their position on the global stage and their future ambitions -- and their conviction that the West has tried to deny them a seat at the table of great powers since the USSR collapsed. This book looks at Russia's key relationships -- its downward spiral with the United States, Europe, and NATO; its ties to China, Japan, the Middle East; and with its neighbors, particularly the fraught relationship with Ukraine. PUTIN'S WORLD will help Americans understand how and why the post-Cold War era has given way to a new, more dangerous world, one in which Russia poses a challenge to the United States in every corner of the globe -- and one in which Russia has become a toxic and divisive subject in US politics."
