Résumé ou extrait : "SP Guide Publications' first and rather flagship publication, the Military Yearbook was launched in 1965 and rechristened as SP's Military Yearbook in 1992, as a tribute to the Founder Editor Shri S.P. Baranwal who founded the company in 1964. Today the Yearbook is regarded and termed as Bible of information on the armed forces in the context of entire Asia and the defence industry world over. Analysis of Defence Policies and Procedures; Modernisation programmes of all Armed Forces; Who's Who in the Indian Defence Leadership; Asian Who's Who: Leadership & Profiles; Comprehensive and up-to-date Organisational Structure of Indian Ministry of Defence and Ministry of Home Affairs; and much more. An extensive collection of 45 Asian countries: Asian leaders' profiles and exhaustive collection of MoD contact references; Meticulously updated inputs with data, graphs and charts on budgets, analysis, industry, etc.; and much more."
