Résumé ou extrait : The Federal Office of Civil Aeronautics ("Luftfahrt-Bundesamt - LBA") was created as a Federal Agency by law, i.e. Gesetz über das Luftfahrt - Bundesamt of 30 November 1954 (German Law Gazette - BGBl. I, 354). The LBA is under the direct supervision of the Federal Ministry of Transport, Building and Housing as concerns both the management of and the tasks performed by the LBA. Located in Braunschweig, the LBA has the authority and thus the responsibility to execute federal tasks in aviation safety, operations and personnel licensing.
