: 22 cm

: cartes

: couv. ill.

: ill.

ISBN : 0-521-68225-8

Classification décimale Dewey : 954

Note(s) : Bibliogr.

Index

Résumé ou extrait : The second edition of the successful concise history of India's modern history afresh and updates the events of the last decade. These include the takeover of Congress from the seemingly entrenched Hindu nationalist party in 2004, India's huge advances in technology and the country's new role as a major player in world affairs. Despite this advances, poverty, social inequality and religious division still fester. In response to these dilemmas, the book grapples with questions of caste and religious identity, and the very nature of the Indian nation.
