conflict 7.1 Displacement, subversion, and suppression 7.2 From peaceful protest to violence 8 The fragile foundations of the African Mining Consensus Appendix 1: Banro's financing history, 1996-2018 Appendix 2: Twangiza Mining suppliers by firm and nationality, 2010-2013 Appendix 3: Labour productivity of mining in South Kivu Appendix 4: Worker wages and trader-manager profits at Kadumwa Appendix 5: Twangiza wage distribution, 2017 Appendix 6: Estimating the buying price at Luhwindja, 2017 Bibliography Publishers' acknowledgements Index

Résumé ou extrait : Through a detailed case study of gold mining in the Democratic Republic of the Congo, 'Disrupted Development in the Congo' reveals the fragile foundations on which the African Mining Consensus rests. It documents how foreign mining corporations in the Congo have been prone to mismanagement and implicated in fuelling conflict and violence.
