Résumé ou extrait : This was a brutish, primitive hatred, as characteristic of the horror of war in the Pacific as the palm trees and the islands... Landing on the beach at Peleliu in 1944 as a twenty-year-old new recruit to the US Marines, Eugene Sledge can only try desperately to survive. At Peleliu and Okinawa - two of the fiercest and filthiest Pacific battles of WWII - he witnesses the dehumanising brutality displayed by both sides and the animal hatred that each soldier has for his enemy.
