Résumé ou extrait : "The World Today Series: Nordic, Central, and Southeastern Europe is an annually updated presentation of each sovereign country in Nordic, Central and Southeastern Europe, past and present. It is organized by individual chapters for each country and presents a complete and authoritative overview of each region's geography, people, history, political system, constitution, parliament, parties, political leaders, and elections. The combination of factual accuracy and up-to-date detail along with its

informed projections make this an outstanding resource for researchers, practitioners in international development, media professionals, government officials, potential investors, and students. Now in its 23rd edition, the content is thorough yet perfect for a one-semester introductory course or general library reference." (adapté de la 4e de couverture)
