Résumé ou extrait : This book reviews the background and evolving features of Sino-African relations, exploring various stages over the past 50 years. Pursuing an objective and forward-looking approach, it analyzes the development, current issues and future direction of Sino-African relations, as well as their global impact. Despite ideological and policy differences, it also outlines potential avenues of cooperation between China and western countries in promoting development in Africa. Potential means of adapting and improving China's "going into Africa" policy in the post-crisis era are also discussed, highlighting the importance of enhancing soft power in Africa.
