Titre(s) : Investment in blood : the real cost of Britain's Afghan War / Frank Ledwidge

Auteur(s) : Ledwidge, Frank

Editeur, producteur : New Haven (Conn.) : London : Yale university press, 2014, cop. 2013

Description matérielle : 1 vol. (X-287 p.) ; 20 cm

ISBN : 978-0-300-20526-8
0-300-20526-0

EAN : 9780300205268 br.

Classification décimale Dewey : 958.104 7

Note sur les bibliographies et les index : Notes bibliogr. Index

Résumé ou extrait : Présentation de l'éditeur : "In this follow-up to the extremely successful Losing Small Wars, Frank Ledwidge analyses the cost - both financial and human - of Britain's involvement in the Afghanistan war. With the aid of interviews, on-the-ground research and countless Freedom of Information requests, he pieces together the enormous burden the Afghan intervention has placed on the shoulders of British soldiers and their families, UK taxpayers and - by far the greatest sufferers - Afghan civilians. Amongst other issues, he highlights the soldiers left horribly maimed, UK funds poured into the corrupt black hole that is the Afghan government, refugees driven out of Helmand province into disease-ridden camps, and the long-term damage to the international reputation of the UK military. Ledwidge argues that the only true beneficiaries of the conflict are development consultants, Afghan drugs kingpins and international arms companies. This is both an extraordinary piece of investigative journalism and a heart-breaking account of military adventurism gone horribly wrong. A new afterword brings the analysis up to date."

Sujet - Nom commun : Victimes de guerre -- Afghanistan -- Helmand (Afghanistan ; province)
Civils et guerre -- Afghanistan -- Helmand (Afghanistan ; province)

Sujet - Nom géographique : Afghanistan -- 2001-.... (Guerre d'Afghanistan) -- Participation britannique
