ISBN : 978-1-107-07513-9

1-107-07513-0

1-107-42776-2

978-1-107-42776-1

EAN : 9781107427761

Classification décimale Dewey : 958.104 7

Note sur les bibliographies et les index : Bibliographie pages 181-197. Index

Résumé ou extrait : Présentation de l'éditeur : "Since 9/11, al-Qaida has become one of the most infamous and widely discussed terrorist organizations in the world, with affiliates spread across the globe. However, little-known are the group's activities within Afghanistan itself, something which Anne Stenersen examines in this book. Using an array of unique primary sources, she presents an alternative narrative of al-Qaida's goals and strategies prior to 9/11. She argues that al-Qaida's actions were not just an ideological expression of religious fanaticism and violent anti-Americanism, but that they were actually far more practical and organised, with a more revolutionary and Middle Eastern-focused agenda than previously thought. Through Stenersen's analysis, we see how al-Qaida employed a dual strategy: with a small section focused on staging international terrorist attacks, but at the same time a larger part dedicated to building a resilient and cohesive organization that would ultimately serve as a vanguard for future Islamist revolutions."
