The minimum force debate : contemporary sensibilities meet imperial practice / Thomas R. Mockaitis 11. British counter-insurgency : a historiographical reflection / Ian F.W. Beckett 12. Historians, a legacy of suspicion and the 'migrated archives' / Anthony Badger

Résumé ou extrait : This edited collection examines the British Army's history of counter-insurgency. It brings together and consolidates new scholarship on the counter-insurgency associated with the end of empire, stretching from the nineteenth century to the final collapse of the British Empire in the 1960s. This book was published as a special issue of.
