Titre de couverture : [Into the hands of the soldiers. freedom and chaos in Egypt and the Middle East.]

Classification décimale Dewey : 962.056

Note sur les bibliographies et les index : Notes bibliogr. Index

Résumé ou extrait : La 4e de couv. indique : "In 2011, Egyptians of all sects, ages and social classes shook off millennia of autocracy, then elected a Muslim Brother as president. New York Times correspondent David D. Kirkpatrick arrived in Egypt with his family less than six months before the uprising first broke out in 2011. As revolution and violence engulfed the country, he lived through Cairo's hopes and disappointments alongside the diverse population of his new city. Into the Hands of the Soldiers is a heartbreaking story with a simple message: the failings of decades of autocratic rule are the reason for the chaos we see across the Arab world. Understanding the story of what happened in those years can help readers make sense of everything taking place across the region today from the terrorist attacks in North Sinai to the bedlam in Syria and Libya."
