Résumé ou extrait : Présentation de l'éditeur : "Focus on the military nature of Boko Haram, the reasons for its success in those specific regions of the Chad basin it operates in and a detailed history of the Nigerian army's counter-insurgency – with whom, uniquely, the author has spent research time. The book identifies and analyses the battles and skirmishes on the front line, as well as unearthing a wider explanation for Boko Haram's military success and the causes of the instability in the region."
