Note sur les bibliographies et les index : Bibliographie p. [297]-298. Index

Résumé ou extrait : Extrait de la jaquette : "Deborah is a British First World War tank that rose from the grave after taking part in one of the most momentous battles in history. In November 1917 she played a leading role in the first successful massed tank attack at Cambrai. Eighty years later, in a remarkable feat of archaeology, the tank's buried remains were rediscovered and excavated, and are now preserved as a memorial to the battle and to the men who fought in it. John Taylor's book tells the tale of the tank and her crew and tracks down their descendants to uncover a human story every bit as compelling as the military one."

Sujet - Nom commun : Guerre mondiale (1914-1918) -- Guerre des blindés

Chars d'assaut -- Grande-Bretagne -- 20e siècle

Guerre mondiale (1914-1918) -- Campagnes et batailles -- France -- Cambrai (Nord)
