: 23 cm

ISBN : 0-300-10153-8

Classification décimale Dewey : 341.6

Note(s) : Index
Notes bibliogr.

Résumé ou extrait : The greatest danger facing the world today, says Alan M. Dershowitz, comes from religiously inspired, state sponsored terrorist groups that seek to develop weapons of mass destruction for use against civilian targets. In his newest book, Dershowitz argues passionately and persuasively that global terrorism is a phenomenon largely of our own making and that we must and can take steps to reduce the frequency and severity of terrorist acts.
