Institutions, ideas, and future military effectiveness People in future competition and conflict Conclusion:
War is transforming (again) Epilogue: a changing nature of war ?

Résumé ou extrait : "War Transformed provides insights for those involved in the design of military strategy, and the forces that must execute that strategy. Emphasizing the impacts of technology, new era strategic competition, demography, and climate change, Mick Ryan uses historical as well as contemporary anecdotes throughout the book to highlight key challenges faced by nations in a new era of great power rivalry."
