Note sur le contenu : Setting the scene: the British China story Tales from the "Golden Era" What does China want from the UK ? Walk on by: what does Britain really want from China ? Who cares ? China and the British people Britain's China future in the world of Brexit, Trump and Xi Jinping

Résumé ou extrait : Kerry Brown re-examines the UK–China relationship and considers how recent seismic geopolitical events have reframed and recast the UK's future engagement with China. At a time of heightened international insecurities and fractured global relations, the need to actively engage with China and to understand its ambitions and values, argues Kerry Brown, remains as strong as ever.
