Résumé ou extrait : La quatrième de couverture indique : "'Curtis Colt didn't kill that liquor store woman, and that's a fact. It's not right that he should have to ride the lightening - that's what prisoners call dying in the electric chair. Curtis doesn't belong in it, and I can prove it.' But can Curtis's girlfriend prove it? Murder has undoubtedly been done, and if Curtis doesn't ride the lightening for it, then who will?"
